

Churches Against Labour Exploitation

Training for volunteers and ambassadors addressing modern slavery

What drives forced labour and exploitation in our communities and globally, from care homes to farms and construction sites?

How can the church act together to support survivors, address modern slavery at the roots, and call for dignified work?

Take a deep dive over 4 weeks into the history and present of slavery, forced labour, and the role of the church with **CSAN**, in partnership with **Focus On Labour Exploitation**.

Work alongside others to discern what God is calling the church to do today, and plan your next steps towards action.

4 Wednesday evenings beginning 18th November
